Dear Mr. Wilson:

On behalf of the CIA's Executive Development Program, I would like to extend my thanks to you for allowing Mr. Perry Sikes to address our Executive Development Core Course on 20 September 1984. His presentation on "How To Manage in the Present While Preparing for the Future" provided an interesting overview on how corporate planning strategies can relate to the achievement of excellence within the Intelligence Community.

We appreciate your support of our program and hope we may continue to call upon the Boeing Aerospace Company in the future.

Sincerely,

Director  
of  
Training and Education
